## DanceIT

DanceIT is a dance-fitness program that offers a unique opportunity to unleash the dancer in you while burning fat, increasing strength, boosting cardiovascular conditioning. Certified instructors will lead you in a series of easy-to-learn aerobic dance routines that target every major muscle group; the result... a leaner, tighter body. Burn calories as you improve your flexibility, coordination and cardiovascular strength. Flexible class attendance allows you to attend class at any time, day or location. Flex time is also used for cancellations at school facilities. In order to learn the new routines, it is suggested that you attend the first three weeks with the same instructor. Babysitting is available for all Community Center classes. See page 80. Recreation pass holders receive \$10 off fee listed using Act #146200X.

## Tai Chi-Chu'an

This martial art, called "Chinese Yoga," by some, is a gentle meditative exercise that is easy on the joints and suitable for ages 9 through 99 and any fitness level. Tai Chi practitioners attest to a variety of benefits from an improved golf swing to greater focus, and concentration in individuals with ADHD. Health benefits include improved balance, flexibility, breathing, sleeping, blood pressure, digestion, and reduced stress. It has been shown to increase bone density in post-menopausal women at risk for osteoporosis. Join our group of fun and dedicated Tai Chi students in learning this ancient art. **Instructor:** Susan
